President's Message

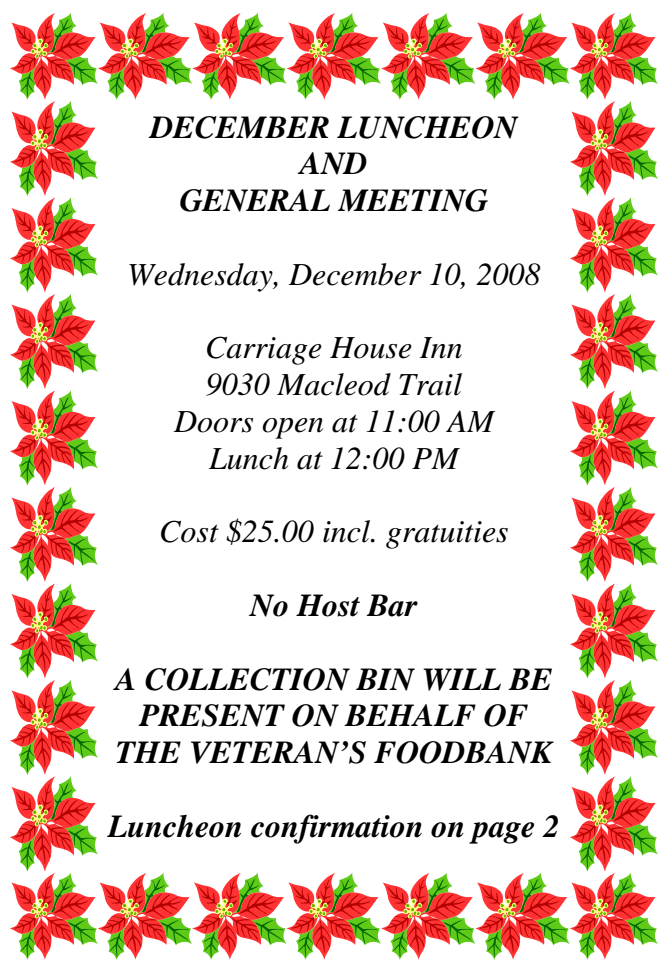

Wow, there is nothing like the deadline for the Christmas Newsletter to bring on the reality that December is upon us and with it all the thoughts of the season. On behalf of your CRTA and your Executive, Season's Greetings and a Happy New Year.

I hope you are able to join us at the **Carriage House Inn** for the Christmas Luncheon on December 10h and get a proper start to the festive season. I promise the chairman will be short-winded and the menu and entertainment will be outstanding! And, not to forget, there are the door prizes. As usual, it promises to be an outstanding function.

As I look back over the past year I am struck by the enthusiasm, involvement and contributions of so many members that create opportunities for us all.

As we hosted "Steppin' Out Again", our Conference, with its plethora of sessions...and food...and friends, old and new, Chuck Rose and Marg Brucker introduced the "New Dimensions in Retirement" Program. Our one-day Conference suddenly blossomed into an exciting series of activities: Field Trips to Olds College and Rosebud Theatre, course on Computers and Digital Photography, more Gardening, Finance and Wellness for Seniors.

On-going we have had the presentations an representations by our Benefits and Pension Committees. ARTA Travel Insurance now includes

free Cancellation Coverage thanks to the work of Ralph Levinson and his Committees. ARTA's Health Benefits Plan is the envy of other retirees. The minister of Education is better informed on the issues of the pension Plan after a session with Jean Crawford and her Committee.

Looking ahead... a lot more sessions and excitement with

the “New Dimensions in Retirement” is to come in January and February of next year and which will cumulate in “Steppin’ Out 3” on April 21, 2009. Look for mailings coming out soon, and/or go on line to www.calgaryretiredteachers.ca for details and deadlines. Look as well for details for the Valentines Tea on February 12. Hopefully there will be news on the return of ‘Demutualization Funds’ from the respective School Boards and hopefully the Provincial Government will see the light on reconciling outstanding Pension Issues.

Thanks again to the Executive, the committees and you, our members and supporters. From all of us, the best of the season to you now and through the upcoming year.

Plan Your Vacation Early ***2010 Oberammergau*** ***Centuries Old Passion Play***

Early October ten CRTA members met with Lawrence Rowley, the district sales representative for Collette Vacations, at the Danish Canadian Club to learn more about travel in Europe during the summer of 2010. All their tours can be enhanced with a visit to Oberammergau in Bavaria and attendance at the world famous Passion Play. This event takes place only once every ten years. Because of the world-wide popular demand Collette Vacations buys blocks of tickets early to assure its customers of a seat.

Collette has seven different tours for Europe to each of which one can attach the Passion Play event.

Discover Switzerland ***Italy***
Imperial Cities ***France and Bavaria***
Alpine Countries ***Croatia***
Alpine countries with the Glacier Express

Several members have already indicated that they intend to go on one of the tours. You may want to get together with them to form a CRTA group or prefer to travel as an individual on one of the tours and on a different date.

No matter what, Collette vacations will offer you the CRTA negotiated discount on not only these tours, but on any of their trips. Go to www.collettevacations.ca to get more information on their offerings, or get in touch with lrowley@collettevacations.ca. Ralph Levinson has a wealth of knowledge as well: 403-948-3691

New Dimension 2008-2009

Since June a large number of our membership have participated in various programs offered under the New Dimensions Program, which was made financially possible through a grant from the Federal Government.

The chairs of the organizing committees are now in the process of setting the last phase of New dimensions in motion with an offering of various courses.

A course on wines has already been scheduled to start on January 20 . Look for information on other courses to come out in the first week of January 2009. That group of courses will run mostly in February, but not beyond, due to the conditions of the grant.

The organizers trust that this coming phase will be as successful as its predecessors and that the new Dimensions program signals a new phase in the future of CRTA.

Is your membership past due? Your \$15 yearly fee should be paid up until July 1, 2009.

Newsletter

CRTA has currently about 800 members. Approximately 350 of those receive their copy of the newsletter through the mail. We would like to see more members give us permission to send them the newsletter through their e-mail. Sending the newsletter via Canada Post is not only expensive, but also very time consuming: producing labels, sticking them on the envelope, buying stamps and sticking them on as well as stuffing the envelopes and sealing them takes many hours. Put a smile on your newsletter editor/producers face by sending a request to switch from hard copy to electronic mail to cbeunder@shaw.ca

Last Minute News Item

Are you feeling down with the long winter coming? Is a cruise not in your future? Are the ski hills getting too much? Never been to Las Vegas, because those tables look so intimidating? What about a little Las Vegas in Calgary?

Greg Chitrenky, 403-256-9364, is willing to organize a small group of retired teachers, who would like to learn the in and outs of blackjack. A very economical lunch can be included as part of the fun.

This **NOT** a New Dimensions sponsored activity.

CRTA Committees

You, our membership, may sometimes wonder what those twenty-eight people, who form the executive members and directors of our association, are involved in. Here is a taste:

Four look after membership, four look after technology. There is a social committee of four members (Is there anyone else in our membership who can help these hardworking ladies with finding door prizes. Call Sheena Banks 403-251-0172) Seven people concern themselves with Insurance/Wellness. Ten bodies look after travel and Affinity programs. Nine members of the CRTA are represented on ARTA. We have established contacts with other senior groups in Calgary. One of our members keeps in contact with the current issues in teaching by attending CSR. Sometimes our lists of duties that are taken on seem ambitious and never ending, but all who sign on work hard, do more often than not double duty and do it cheerfully.

CRTA, in its new form as a society, is growing and reaching out to provide its members with meaningful services. CRTA would like to hear from you, if you think you can contribute with ideas and or action. Gordon Cumming 403- 288-5731 will be happy to talk to you. CRTA may even create another committee just for you

To our Members:
Your newsletter editor finds the obituary information in one of Calgary's daily newspapers. Not every family enters the name of a dear one in the obituary column and sometimes the profession is omitted. CRTA would like to honour our former colleagues. If you know of someone who taught in the Calgary Public or Separate system and who was missed, please do not hesitate to send the name and day of passing to certainfo@calgaryretiredteachers.ca
